

Dialysis #Plus

You will not experience dialysis alone.

Specialty Care Management's (SCM) Clinical Nurse Team works with members receiving outpatient dialysis treatment. SCM's Nurse Coaches assist members with all administrative and medical aspects of their experience. The program includes:

- *Open access to outpatient dialysis centers; no network restrictions*
- *Reduced or no out-of-pocket expenses*
- *Dedicated Nurse Coach to help with patient advocacy*
- *Free clinical support, including up to 2 touch-points per month*
- *Education about care and benefits for patient and family*
- *Have a question about the dialysis benefit?*
